BLOODY WORK.

A Chapter of Crimes.
CLEVELAND, O., April 25.—An Oakland special says: During a quarrel yesterday L. Ward shot and killed James Harrison and it is supposed mortally wounded his brother, George Harrison. Ward was arrested and lynching is threatened.

In Brooklyn, yesterday, Frank Larkins, aged 27, went home drunk and shot his wife, and then cut his own throat, after failing to shoot an officer. Larkins and his wife are fatally injured.

LITTLE ROCK, April 25.—Near Cedar Glades, Yell county, on Saturday, William Potter was murdered while working in his field by Riley Blocker and Jack Daniels, in whose possession some of Potter's hogs were recently found. They were taking him to the woods to shoot him, when he hollowed to his wife, and then they shot him and fled to the mountains and joined several other desperadoes. The Sheriff and a posse are searching for them, and a bloody encounter is expected.

CHICAGO, April 25.—Thomas Shine, a painter, while leaving a respectable house on Pacific avenue this morning at 1 o'clock, became embroiled with three strangers, one of whom killed him by stabbing him in the neck. The murder is thought to have been unprovoked. No arrests.

DANVILLE, Va., April 25.—Wm. D. Dodson, arrested at Franklin Junction for the alleged murder of a negro, yesterday confessed to hiring two negroes to bring him a body for dissection, pretending to be a physician. He carried the body into the upper room of the house where he lived, wrapped it in bed-clothing, poured kerosene over it and fixed a lighted candle in the bed-clothing. The candle was so long that the house did not take fire during the night, and the plot failed. His purpose was to burn the house and have it appear that he himself had been burned in it, so that his family might obtain the amount of a life insurance policy which he recently procured.

LAMPASAS, TEXAS, April 25.—Dr. A. C. Rich was murdered last night by parties unknown. He and Mrs. Rich were asleep when their door was unfastened. The murderers entered the room and shot Rich through the head; then jerked him out of bed and tied twice more, killing him instantly. Rich came from Georgia several years ago. He had been married only two years. His wife is almost bereft of her senses over the terrible tragedy which she witnessed.

HOUSTON, April 25.—An atrocious crime was committed nine miles from here at Beck House Gully. A negro boy named Adams, aged 12, under the impression that the boys in the neighborhood were going to flog him, while playing with Cuny Nelson, aged 11, whom he suspected as one of the party, tied a rope around Nelson's waist, and mounting a horse, tied the other end to the pommel of the saddle and rode rapidly off, dragging Nelson through the prairie until he was dead. Adams then took the train for Houston, where he was captured.

FOREIGN NEWS.

DUBLIN, April 25.—The second trial of Timothy Kelly, charged with participating in the Phoenix Park murders, continued this morning. The Judge spoke most strongly against the prisoner's claim of an alibi, but the jury, after being out a short time, returned and announced that they were unable to agree on a verdict.

The trial of Michael Fagan, charged with the murder of Burke, was then begun.

LONDON, April 25.—The Times says: "It is understood that the evidence against Peter Tynor ('Number One') from an independent witness, as well as from the informers, is such as to justify decisive action by the British government in asking for his extradition."

St. PETERSBURG, April 25.—The Geographical Society has received a telegram from the polar expedition located at the mouth of the river Lena, stating that the explorers are all well. The lowest temperature recorded during the winter was 38 degrees Reaumur.
